F.No. 22-6/NVS-JR/Acad./2020-21/

June 22, 2020

To,

The Principal  
All Jawahar Navodaya Vidyalaya  
Under Jaipur Region

**Sub.: Admission process for class VI through JNVST-2020 – reg.**

Ref.: Samiti Hqrs. letter no. No.F.1-8/2019-NVS (Exam) dated: 19.06.2020

Sir/Madam,

With reference to the subject cited above, it is to inform that class VI-JNVST-2020 result has been released. SMS, alerts have been sent to all selected candidates on their registered mobile numbers. Please find attached JNV wise result of Class VI in PDF format for processing admission of selected candidates and to upload on the JNV website. The following points are to be adhered during the process of class VI admission.

1. Keeping in view the existing COVID-19 pandemic, it is decided that calling the provisionally selected candidates to the Vidyalaya for finalizing the admission should be strictly avoided. The parents should be encouraged to forward the soft copies of duly filled in documents through email. The JNV should adopt parents/candidate friendly approach while completing the admission process as per NVS norms conforming to guidelines issued by Govt. of India/State Govt. and District administration. Not more than 20 parents should be called in one day for admission of their wards.
2. OBC candidates are also required to submit caste certificate if they are selected under reserved OBC quota.
3. If any reserved category student is selected under open unreserved quota, the candidate may be admitted even if the candidate does not produce category caste certificate. However, such candidates are to be treated as general candidates if relevant category certificate is not produced.
4. The selected candidates are to be intimated telephonically as well as by registered/speed post communication along with a set of formats to be submitted at the time of admission. The set of required formats may be

downloaded from the NVS HQ website by the parents and the filled in formats may be submitted to the principal of JNV concerned through email or in person. The principal of JNV will constitute a committee for scrutiny of the documents submitted by the parents of selected candidates. If any discrepancy is noticed, the same may be communicated to the parents of the concerned candidates and should be resolved on priority basis.

5. After two weeks second and final registered/speed post intimation should be sent to candidates who have not submitted relevant documents for verification and finalization of admission.
6. JNV Level JNVST Help Desk may be activated to support the selected candidates for admission. The phone number of Help Desk should be available on the website of the Vidyalaya.
7. The process of admission for the selected candidates through main select list should be completed by 15-07-2020.
8. Principal has to submit the admission status on day to day basis by 1:00 pm every day through online link starting from 29-06-2020 in the following format. Link will be sent in due course of time.

S. No.	JNV	Total Selected	Cumulative admitted right from beginning

It is brought to your notice that target of NVS for 2020-21 is to ensure Zero Vacancy in class VI.

**Encl: Select List**

**Yours faithfully**

  
22/6/2020  
**(B.L. Morodia)**

**Dy. Commissioner**

Copy to: All Cluster I/C Assistant Commissioner, NVS, RO. Jaipur to monitor Class VI, Admission process in his/her respective cluster JNVs.
